

## **Xavier Lynch Report on Kiama By-election Wrap Up Meeting**

On Sunday the 9th of November, members from the Shoalhaven and Kiama Greens came together for a wrap-up meeting on our performance during the Kiama by-election earlier this year.

During this meeting we went over what we did well, what we could have done better, and what we want to implement in future campaigns.

We went over ideas such as door-knocking, fundraising, and community building by planning events to engage people throughout our area, as well as how we benefitted from having a quality candidate like Tonia Gray who understands the local community and their needs.

All in all, the meeting was a great success and provided valuable input and ideas for future campaigning.
